### School Adventures – price list

#### Key info

- Age 5+ (some)
- Held at our [woodland site near Bridgend](#) or within your school grounds (Bridgend, RCT, Cardiff and the Vale of Glamorgan)
- Adult supervision required
- We require information about medical conditions in advance of sessions
- Instructors are DBS checked (enhanced level), we have £5 million public liability insurance and risk assess activities – copies can be provided
- See our [FAQs](#) for further info

#### Our services

- **Curriculum-related sessions** – tailored outdoor learning sessions focusing on the curriculum e.g. a specific book or subject area including literacy, maths and wellbeing
- **Fun & informative school trips** – get your pupils outdoors, trying something new, developing team work skills, building confidence and having fun!
- **Nature-themed workshop** – affordable outdoor workshops for pupils aged 5+ - come to us or we can bring the fun to you!
- **Teacher CPD days and 1-2-1 advice** – designed to empower and equip you to take learning outdoors every day.
- **Create outdoor learning areas** – we can advise on how to design your school's outdoor space, so that you can take learning outdoors!
- **End of term leavers' event** - bushcraft and archery activities as an alternative end of term leavers' event to remember!

#### Price

Costs vary depending on the type of activity, planning and resources required, number of participants, number of instructors needed, length of sessions, travel etc.

As a rough guide sessions start at around £95, up to £175 for one instructor.

We offer enhanced rates when you book more than one session at a time.
